CHRISTIAN SCHOOL

8/24/18

Dear Friends,

This is a letter of request for donations to our fundraising gala called *A Glorious Affair - "Under the Tuscan Sun"* which will be held on Saturday, November 3rd, 2018 at the Villa Parker special event venue. Your contribution will go directly toward the live or silent auction for our attendees to review and bid on. We expect about 150 to be in attendance and are excited to raise money for our tuition assistance and teacher support programs.

Southeast Christian School supports Parker, Centennial, Aurora, Lone Tree, Castle Rock, Franktown, and other local communities in and around SE Denver.

We greatly appreciate your contribution to our school.

Sincerely,

Michelle Davis
Head of School

Your gift will benefit families through continued academic and spiritual excellence, a dedicated staff and a strong school community. Thank you for support!
