

Tuition Refund Insurance Plan Policy

Southeast Christian School requires each K-8 family to elect coverage for their Tuition Refund Insurance Plan. This insurance covers our families in the event of an unforeseen circumstance resulting in a withdrawal of a student or students after the school year has begun, for any reason including (but not limited to) job loss, relocation, death, medical reasons, expulsion for academic or behavior reasons, et al. Tuition Refund Insurance is optional for those families who choose to pay in full; families on a monthly payment plan must elect a coverage option. The following coverages insure a family up to a selected percentage of unused annual tuition.

For example:

The Smith family has one student at SCS enrolled in Middle School for the 24-25 school year. The Smith family elects to enroll in 100% Tuition Refund Insurance Coverage. In September, they find out they have to relocate out of state. The Smith family is covered for their *unused* tuition of \$9600, and does not owe the school for the remaining 10 months of the school year. Whereas, in past years without the Tuition Refund Insurance coverage, the Smith family would owe SCS the remaining \$9600 in tuition.

100% of Tuition Refund Coverage	\$300 per K-8 student
50% of Tuition Refund Coverage	\$150 per K-8 student
0% of Tuition Refund Coverage*	\$0 per K-8 student

*Must be a verified pay in full family. Pay in full families who elect to waive their coverage will be responsible for the full unused tuition amount in the event of a mid-year withdrawal.
